IN THIS ISSUE: Cedar's Park FC 1st team win the league

## EDITORIAL

What a month it has been so far!

For starters I would like to congratulate Cedars Park FC 1st team on becoming

Division 2 Champions and receiving promotion. They have had a fantastic season and their hard work has definitely paid off. We wish them every success for next season and know their hard work and dedication will lead them to more victories.

Still on football the Premier league season ended with a ,no surprise predictable from Christmas, triumph for Manchester City whilst a much anticipated FA Cup Final saw Chelsea beat Man Utd by a penalty goal.

But the agony or ecstasy is not over yet – The World Cup is fast approaching!

But Ladies let's forget football for a second!

What about the Royal Wedding with Prince Harry marrying the beautiful Meghan Markle. Millions in the UK and billions Worldwide joined together to watch this historic event. Whether you were there on the streets of London, or night time LA, or simply sat watching the box in your living rooms everybody agreed it was fabulous. We all love a

good wedding!

But where were the traditional street parties, where neighbours would gather with picnics, bunting and not forgetting a few cheeky drinkies? This year I did not hear of one street party but perhaps they have been superseded by 'the invite your friends round for a BBQ'. The weather was certainly perfect for it. I have to admit I did watch it on T.V at work and it did make me smile. It was definitely a fairy tale wedding and quite the star studded event. I can't imagine how hard it must be to organise having to invite so many people and also be filmed live for T.V. But they did a great job and I'm sure Princess Diana would have been very proud of her boys and how they have grown up.

More good weather forecast enjoy the sunshine and I'll speak to you all next month....

## NEWS & VIEWS

### Cedars Park FC 1st Team win the league...

A massive congratulations to Cedars Park FC 1st team who were crowned Champions of Division 2 this season. The lads worked very hard all season and that certainly has paid off as they scooped top spot over Coddensham Athletic by one point. Cedars Park played 22 games – won 19, drew 2 and lost 1, a great achievement. It was made even sweeter by the fact that they won it on their home ground with their main sponsor The Aviary. When the game finished they received their trophies from the FA and Janine and Pete provided them with big bottles of champagne to celebrate with and then it was champagne in the bar afterwards.

On speaking to Pete and Janine from The Aviary they said 'we are proud to be the main sponsors of Cedars Park FC and they have certainly done us proud as our first year sponsoring them. They have worked very hard and this is a real achievement for them as a team, a club and even for the people that have supported them all season. We are really proud of them and the Managers and wish them every success for future seasons.

**For those looking for a team next season, pre-season training will commence at the end of June. Any players 17+ please contact Kevin on 07532 207161**

# Mayors Editorial

I would like to express my thanks to everyone who supported me during my Mayoral year. It was a great honour to represent the town. During the year my wife and I attended well over 100 engagements, mostly in Stowmarket, but across Suffolk and South Norfolk, also, where we had the opportunity to promote our wonderful town of Stowmarket. We found the experience very humbling, especially when we met people from various organisations in the town, who support others less fortunate than themselves.

As a result of the support we received I am pleased to report that a total of £7,047 was raised for our 3 charities, 1st & 3rd Stowmarket Scouts, 1st Combs Scouts and Enigma, with each charity receiving a cheque for £2,349.

Thank you all, once again  
Dave Muller

## OWLS

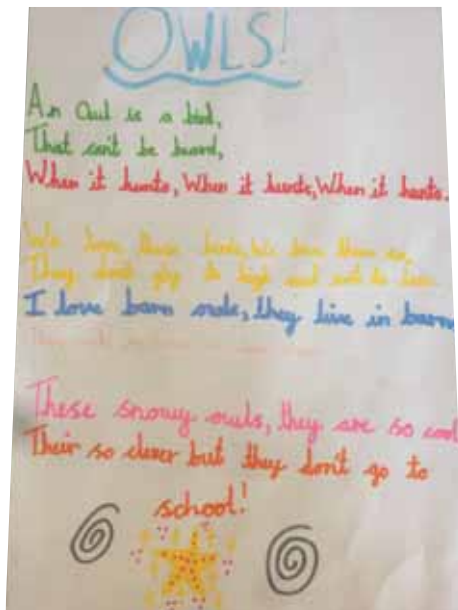

An owl is a bird that can't be heard,  
When it hunts, when it hunts, when it  
hunts.

We love these birds, we love them  
so, they don't fly to high and not to  
low.

I love barn owls, they live in barns,  
they wake up when we have alarms.

These snowy owls they are so cool,  
they are so clever, but they don't go  
to school.

# Stowmarket Concert Band

Stowmarket Concert Band continued its busy calendar with three brilliant events in April. Over £2,250 was raised at our sell-out Charity Concert; hosted by SCB's Main Band and Training Band plus around 70 fantastic guests from Combs Ford Primary School and Cedars Park Primary School, we had a fantastic night of music and fundraising. Thank you to all involved – performers, audience, supporters and parents. Special thanks go to 'Jeffries Of Bacton' for their continued support of the Band, and to Mr Ashley Cole who co-ordinated the schools' participation and led extra rehearsals especially for this collaboration. Videos and images are accessible from our Facebook and YouTube. All takings from this event have been passed directly to 'Possibilities', a local charity working tirelessly to help some of the world's most vulnerable children, in Uganda. Possibilities were thrilled with the event: "A huge THANK YOU to Stowmarket Concert Band and the children of Cedars Park Primary School and Combs Ford Primary School for the excellent entertainment they provided, and for raising funds for us. We are so encouraged by your support".

At the concert we thanked our 'kit' player Mark, who is having to stand down due to other commitments. So the search is on for a new drummer! If you or anyone you know is interested in coming along and seeing what we do, then please get in touch! We rehearse Monday evenings from 7.30pm to 9.30pm in Stowmarket and have a kit available if required.

We were also delighted to perform a tailored programme to a great crowd and share the 90th Birthday party of Sylvia in Elmswell. Happy Birthday

[www.StowmarketConcertBand.org.uk](http://www.StowmarketConcertBand.org.uk)

Sylvia, and thank you for inviting us! To conclude April for the Band we sent 35 of our Main Band musicians to share some of our new repertoire with our friends at Stowmarket's 'Monday Club'... always a great night for us!

Included in our upcoming calendar are the following public events around the area... we hope to see you there:

**20th May, 1:30pm-3:30pm...** Helmingham Hall, stately home and gardens.

**10 June, 11:30am-1:30pm...** Euston Hall stately home and park, 'Rural Pastimes'.

**01 July, 10:30am-12:30pm...** Stowmarket Town Council's 'Food & Drink Festival', Town Centre.

**07 July, 12:20pm-1:00pm...** Training Band at Abbot's Hall Primary School Fete.

**07 July, 2:00pm-4:00pm...** Training Band at Combs & Battisford Village Fete.

**14 July, 12:30pm-2:00pm...** Stowmarket Carnival procession.

**04 August, 12:45-5:00pm...** Bacton Fayre.

### Darts Update...

It has been a mixed season for both our teams this summer. Firstly our 'A' team who have had a fantastic start, currently unbeaten this season and are the current defending champions of Division 1. They have come close a couple of times when they have only just scraped the win with a 5-4 against The Welly. Their latest win saw a 6-3 victory against our 'B' team but both teams had a great night.

The 'B' team are yet to score any wins this season and are currently bottom of the table in the relegation zone. The draws have not gone their way and the

competition is a lot tougher this season but I have every faith in them and I'm sure they will find their stride soon.

This week see's the 'A' team in the second round of the cup against Thurston Fox and Hound and the 'B' team are away against the Pickerel.

**Good luck guys and girls...**

# Artists announced for 8th annual StowBlues Festival

Popular Stowmarket Festival StowBlues returns on Saturday 9th June, 2pm-10pm with a fantastic line-up of local, national and international talent. 8 live acts will provide a day full of electrifying blues

music as audiences relax in the stunning setting of the Museum of East Anglian Life.

The line-up includes Kent Duchaine, who has rocked out at major Blues Festivals in the USA and at over 100 tours in the UK and Europe. Funky riffs and incredible vocals from Clare Free and the youth movement of British Blues with performances from Chris King Robinson and Hot Tramp.

Perennial StowBlues favourites Back Porch will be back as well as the smooth vocals of Malaya Blue. Cold Norton and The Mighty Bosscats round out the festival line-up.

Organised in conjunction with BBC Radio Suffolk and compered by DJ Stephen Foster, the event has been able to attract a succession of quality bands.

The event also benefits from the expertise of Mike Rushmore, a well-known name in the East Anglian Blues scene.

With a CAMRA supported real ale bar, the event hosts a selection of ales from brewers from across the region including Grain, Earl Soham Brewery and Colchester Town Brewery.

There will also be a selection of food available throughout the day, providing a fun festival atmosphere throughout the afternoon and into the evening.

**NB: No form of alcohol brought in from off the premises is permitted at the festival.**

**Booking information: £10.00 ticket per person on the day, £8 in advance.**

## BRADFIELD WOODS TRIPS

Week 3 was a bit soggy under foot, but we ventured further into the woods to do some bug hunting within the trees. We stopped to listen to the sounds of the environment and hear an owl call out several times, followed speedily by a child saying, 'silly owl, he's supposed to be asleep'!! The mud kitchen proved popular again, as was the opportunity to make ribbon sticks and pipe cleaner caterpillars.

During our final visit to the woods the children had the opportunity to use natural materials to make paint and create pictures with it, make natural bunting, enjoy a rope challenge and share popcorn made over an open fire. By

the end of the experience, the children were able to have a little more freedom to explore and investigate the natural environment. They were all gaining in confidence in their problem solving and critical thinking skills and physical skills, and there was a great sense of overall wellbeing. It was a great experience for all of the children and we are very grateful to the Friends Committee for applying for the funding, the council for granting the funding and the rangers at Bradfield Woods for providing the activities and resources.

The storage extension work on the community centre has started and this has caused great interest and excitement amongst the children (and staff!). They

have had a role play construction site of their own and been demonstrating their wall building, cement mixing and demolition skills. Some of the children are: (as you would expect), very keen on watching the digger.

As some of the children are preparing to start their visits to 'big school', we are focussing on supporting the children to be as prepared as possible for this transition, to make it as smooth and comfortable for them as possible. Some of the children have already been visited at preschool by their new teachers and the children are practicing skills such as changing for PE to help their independence for when the time arrives. It is time again for us to get ourselves prepared for the next term and welcoming new children and new families to the preschool.

**We are holding the following events at Preschool for September entry:

Monday 11th June 7pm. Open Visits for

## School's Out Club - Cedars Park

We mentioned the new reward scheme last time and the thoughtfulness of the children. Our first rewards have started to be presented. The first group chose to

request some resources for the garden – a ship's wheel and telescope for the pirate ship, that all of the children can share. These have arrived and will be added to the pirate ship shortly for all to enjoy. Such a thoughtful request also earned them a small treat each too. The next group to earn a reward have requested a clay workshop. This will be happening soon, and we'll share the results with you next time.

## Stowmarket and District Camera Club

John Wrigley visited the club on 9 April to judge our Portraiture competition and our Audio Visual competition. He was in his usual good form as he went through the portraits and decided that several should be held back for greater scrutiny. Eventually John decided that there should be two winners - 'Steve' and 'Carol'. Both pictures were entered by Roy Fidler, to whom John presented the Colin Stubly Shield for portraiture.

Next he judged the AV entries, of which there were unfortunately only two. Both entries were good – and well done for entering – but the Salver went to Chris Hale whose AV was excellent.

On 23 April we held our AGM. All the current officers were re-elected and after AOB we watched the video of entries to the annual show. While some were not to everyone's taste, all were of a very high standard.

We are very excited to be meeting Justin Minns at our next meeting. He will be delivering a talk on Landscape photography, and as one of his pictures features on the cover of 'Landscape Photographer of the Year – collection 10' we are looking forward to his talk.

### Next meetings:

**Monday 14 May:** LECTURE 4: 'Landscape' to be given by Justin Minns.

**Monday 11 June:** Open 5 competition to be judged by George Buxton.

**Sunday 24 June:** End of season photoshoot – venue Southwold

**Monday 10 September** – the new season starts with this meeting, when we welcome prospective new members and catch up with existing members. Please note that the first meeting for prospective new members is free of charge, whenever they attend for the first time.

New members are always very welcome at the club. All you need is a camera – any camera and a real interest in using it. Our members use DSLRs, mirrorless, compacts and bridge cameras. Regular meetings are held at Stowmarket Community Centre, Hillside, Stowmarket, IP14 2BD, usually on the 2nd & 4th Monday of the month between September & June. We start arriving at around 7:00pm for a 7:30pm start. We'd love to see you there, so why not join us?

# Stowupland Flacons vs Bury Town KO Cup Final

Sunday 22nd April marked the day for Stowupland Falcons U14 Yellows second KO Cup Final in a row and a first for Bury Town U14's. Falcons started off by dominating the game with Lukas Fishlock scoring in the 10th minute as his well taken shot hit the top of the net. This was then shortly followed by a solid hit volley just inside the box by Will Miles to make it 2-0 to Stowupland. However, Bury Town started to ramp up their game scoring from a 1 on 1 through ball to make it 2-1, followed by a tap in from a corner half way through the second half to make it 2-2. The game went in to extra time with Stowupland changing formation to slowly take control of extra time. In the last few minutes of the second half Stowupland, found a killer pass that found Lukas Fishlock one on one with the keeper who made an excellent save, the

rebound fell to Will Miles who placed his shot into the corner for his second of the game. The final few minutes seemed to take an age to pass, however Stowupland smartly managed the game out to claim a second KO Cup Final in a row. Credit to both teams as temperatures, as we know were record highs for April. Many thanks to all the parents, family and friends for supporting the boys through this season.

**I would like to thank the whole squad for all their hard work and commitment this season...**
